**VERMONT TECHNICAL GUIDE NOTICE NO. 9**

**PURPOSE:** Drainage Areas of Vermont Streams

**EXPIRATION DATE:** Upon Receipt

**BACKGROUND:** Because of the poor legibility of the existing document and the fact we wanted an electronic copy, Drainage Areas of Vermont Streams has been retyped. This new document will be much easier to read and there will be electronic copies available for easy file transfer and storage. The content of Drainage Areas of Vermont Streams has not been changed.

**FILING INSTRUCTIONS:** Please file Drainage Areas of Vermont Streams in the Field Office Tech Guide, Section I, Engineering Numbered Technical Reference #8. Please remove and discard the existing document. Revisions have already been made to the eFOTG.

If you have any questions regarding these standards, please give me a call.
